

It's important to know what your councillors stand for.

Kiama Greens Councillors have earned the trust of the community when it comes to protecting the unique character and independence of our municipality.

Your Greens councillors will:

- Work to ensure that Kiama Council remains independent so that residents feel their voice is listened to and they can shape their own community.
- Insist on a high level of community consultation, transparency and accountability in decision-making.
- Continue to lead the fight to protect from urban sprawl the agricultural lands adjoining Jamberoo and between Gerringong and Gerroa..
- Work to protect our forests, wetlands, rivers, beautiful coastline, scenic landscapes and cultural heritage.
- Work for community wellbeing by supporting services for the young and aged, promoting healthy lifestyles through cycleways, walking trails and sporting activities, supporting the ideals of Healthy Cities and recognising cultural diversity.
- Continue to recognise the importance of libraries, the arts and cultural activities that give meaning to the lives of local people.
- Investigate how to make more connected and walkable urban areas in Kiama Downs and work to improve the services for families and young in the North Kiama area.
- Ensure that future local light industrial land becomes available for local business diversification and employment.
- Plan for climate change impacts on our coastal community and promote energy efficiency.
- Elected Greens Councillors will vote independently on all matters and consider every issue on its merits.
