

# Our 'clean & green' Council is up for grabs!

Unlike previous Kiama Council elections voter choice is severely limited in this election. The 'green' direction of Council that our community has endorsed over the last 20 years is under threat.

**Kiama council has a well deserved reputation for protecting our natural environment, protecting our food producing farmlands from urban sprawl, standing up to unreasonable development pressures and supporting strong community services.**

Help make sure Council continues to progress in a sustainable way, respecting the views and needs of the whole community, by voting for Greens candidates on September 8.

Greens Team Councillors will continue to:

- Support our local communities when they call on their Council to stand up to unreasonable developments that threaten the character and scale of their towns and villages
- Care for our natural environment and make sure that it is looked after.
- Value our food producing farmlands and protect them from urban sprawl
- Make sure that that our community owned assets like the Leisure Centre and Blue Haven Retirement village are not privatised.
- Provide meaningful community services for our aged and young people
- Listen to residents concerns and be responsive to the community when we make decisions
- Oppose Council amalgamations. A small council is more accessible to its community.
- Create opportunities for a second shopping centre and a petrol station in Kiama so consumers have more choice.

***The Greens have the candidates, the values, the policies, the commitment and the track record***

## SECURING OUR FUTURE

Paula Andrew Kathy  
Gowans Sloan Rice

## Vote 1 for The Greens

to ensure that the  
community continues to  
have a broad range of  
views represented on its  
Council .

Protect our "Clean and  
Green" Council.
